

The background is a vibrant, stylized night scene. A large, dark blue silhouette of an elephant's head and trunk dominates the center. Inside the elephant's head, there is a white crescent moon, a pink giraffe's head and neck, and several yellow stars. The text "NIGHT ZOO KEEPER" is written in large, white, bold, sans-serif capital letters across the middle of the elephant's face. Below the elephant's trunk, a white silhouette of a turtle is visible. The background features a gradient from purple to blue, with stylized mountains and trees in shades of blue and purple. The overall aesthetic is whimsical and colorful.

NIGHT ZOO KEEPER

Lesson 1 - Registering Students

How to register students on nightzookeeper.com

LeatherBear 4

Your students will appear here

This is an example of a class code. You will find yours in the same place.

Welcome to your Assessment Toolkit

- o Assess student writing
- o Assess their work against curriculum objectives
- o Send personal comments
- o Download lesson resources

Ask your students to visit nightzookeeper.com and click 'student' to create their account. They will be asked for your class code.

Your class code is: **10598**
